SUMMARY

Results-driven Multimedia Creator with hands-on experience in photo and video editing, graphic design, and AI-driven media tools. Proficient in Adobe Creative Suite (Photoshop, Premiere Pro, After Effects) and skilled in creating engaging content for social media, events, and promotional campaigns. Currently contributing to Jesus Redeems Ministry-Media, where I produce high-quality multimedia content, manage videography, and handle photography for outreach initiatives. Passionate about leveraging creative and technical skills to deliver impactful storytelling and visual experiences.
