OBJECTIVE

Creative and detail-oriented Video Editor cum Videographer seeking to bring end-to-end multimedia production skills — from camera to colour grade — to a dynamic team. Experienced in corporate video, event coverage, graphic design, and AI-assisted workflows.

EXPERIENCE

Freelance Video Producer

Feb 2026 – Present

Freelance / Part-Time

- Create end-to-end visual content for brands and digital platforms, from concept to final delivery.
- Combine traditional production with AI-assisted workflows (Leonardo AI, PixVerse) alongside Premiere Pro, After Effects, and Canva.
- Deliver Reels, YouTube, corporate videos, and social-first content, including motion graphics, sound design, and color correction.

Video Editor (Internship)

Jul 2025 – Feb 2026

Pine Labs, Bengaluru, India

- Shot and edited corporate communication and product videos; recorded interviews, announcements, and training materials.
- Produced 30+ corporate videos across product launches and internal communications using DaVinci Resolve and Premiere Pro.
- Collaborated with content teams to deliver polished outputs on tight deadlines.

Multimedia Creator | Graphic Designer | Video Editor

Jun 2024 – Jun 2025

Jesus Redeems Ministries, Tamil Nadu, India

- Managed full end-to-end content creation for ministry outreach initiatives.
- Shot multi-camera coverage for events and outreach programs; edited 250+ videos including promos and testimonies.
- Designed posters, banners, and thumbnails using Photoshop, Illustrator, and Canva.
- Used AI tools to streamline editing and content generation, increasing social media engagement by 20%.

Videographer & Video Editor

Jan 2022 – Dec 2023

Third Eye Studio, Coimbatore, India

- Shot and edited commercial, event, and promotional video projects.
- Managed colour grading, audio sync, and final delivery for client productions.
- Collaborated with directors and photographers on multi-day shoots.

Account Manager
